## Chairman's Message

Dear Students,

"The best way to predict the future... I welcome you all at Royale College of Tourism, Hotel Management & Professional Studies. Royale College is an institute where learning meets professionalism and knowledge meets skill. We pledge to create not only Future manager's but also 'Global business leaders' At Royale College of Tourism, Hotel Management & Professional Studies, We impart Management education with strong industry interface. Our extensive corporate linkages ensure that our students integrate practical experience with theoretical understanding. ,

We emphasize on experimental knowledge, which involves learning from case studies and live corporate exposure. We empower our students with analytical ability, generic skills like self confidence, presentation, creative problem solving. and behavioral skill so that they can be successful in today's business environment.

I believe that our well designed pedagogy shall create brilliant managers who will deliver success stories.

l wish you all the best and expect commitment from each one of you, because **"Education is the work of the whole life. It begins from the time of birth and continues till the last moment of death"**

With thanks,
K.P. Singh
(Chairman)
